

**CHRISTIAN  
SERVICE  
Credits**

“The experience of authentic Christian community leads naturally to service. Christ gives his people different gifts, not only for themselves, but also for others. Each is called to serve for the good of all. Opportunities in which the candidate can use their talents and gifts in the service of others challenge each young person to model his/her life on the life of Jesus who responded to the needs of those around him.”

Confirmation Handbook: Diocese of Lansing

Each candidate **IS REQUIRED** to complete and turn in **Ten Service Credit Reflections** before being confirmed. Acceptable service projects follow these guidelines:

- The candidate should not be paid for the service.
- The service should involve people outside the candidate’s immediate family.
- The service projects should be varied.
