

Sponsor – Candidate Meeting Guidelines

- Set up a mutually agreeable schedule for you and your candidate.
- Meetings with your candidate should always include food.
- Generally it will take from 30 – 60 minutes to complete the discussion topic.
- Bring a bible to each meeting.
- Never end your meeting without deciding a definite time and place for the next meeting.
- Respect his or her privacy and never disclose things told to you in confidence, unless of course, it might endanger his/her health or well being.
- If you have any questions about faith issues brought up in the meetings, please don't hesitate to call our parish office (phone 659-2501) and speak to Debbie Thiede or Elaine Baur. We will be glad to help out or give you resources to read.
- Relax and let the Holy Spirit work through you. The whole point of the meetings is to share how you live your faith. None of us is perfect!
